

STATEMENT OF PURPOSE

RS19446

House Joint Memorial to the Federal Government in opposition to the legislation known as the Clean Water Restoration Act. This legislation removes the term "navigable waters" and would expand the Federal Government's reach beyond that which was intended by the Clean Water Act, and thereby blurs jurisdictional authority to manage and regulate water resources within state and local jurisdictions that historically have been the rights of the states and local jurisdiction.

FISCAL NOTE

No fiscal impact to the General Fund.
